DIE RÜCKKEHR DER DUNKLEN SEITE

SCROLL TEXT:

In einer Zeit großer Finsternis...

Die Galaxis wird erschüttert von einem alles verschlingenden Krieg. Die Galaktische Republik steht am Rande des Untergangs, überrannt von den erbarmungslosen Invasoren der Yuuzhan Vong. Zahlreiche Welten sind bereits gefallen – ihre Bewohner versklavt, ihre Städte zerstört.

Coruscant, der stolze Heimatplanet der Demokratisch-Galaktischen Republik, ist zur letzten Bastion der Freiheit geworden. Die republikanischen Streitkräfte kämpfen verzweifelt, doch ihre Linien drohen zu zerbrechen. Nur dem Eingreifen des Jedi-Ordens ist es zu verdanken, dass der Widerstand noch besteht.

Die Jedi, einst Beobachter, nun Krieger, erheben sich. Ihre Zeit ist gekommen. Doch der Orden steht vor einem Dilemma: Ohne neue Lichtschwerter – die von den seltenen Kyberkristallen gespeist werden – ist der Sieg nicht zu erringen.

Auf Geheiß des Hohen Rates der Jedi begibt sich Jedi-Meister BROCA TEREK auf eine gefährliche Mission. Sein Ziel: der unberührte, sagenumwobene Bergplanet Bergobaah – ein Ort, an dem vielleicht noch Kyberkristalle existieren.

Dort entscheidet sich das Schicksal der Galaxis...

FREQUENTLY ASKED QUESTIONS

What is a custom Star Wars Intro Generator?

The Star Wars Intro Creator allows you to make custom text messages that look and behave just like a scrolling Star Wars opening scene.

How do I make a custom Star Wars Intro title sequence?

Just fill in the text fields and click "Play" to see your animated scrolling customized Star Wars title sequence!

How does the scrolling Star Wars Intro Creator work?

Once you have entered your text and pressed "Play", the Star Wars Intro Generator will direct you to an animated page where you can watch your custom text scroll by, just like in the movies!

Can I use the Star Wars Intro Creator to send custom messages to my friends?

Yes, you can create custom Star Wars Intro messages for your friends and share the link directly with them. Once they click on the link, they will see your animated Star Wars Intro message scroll by.

Is the custom Star Wars Intro Generator tool free to use?

Yes, you can use the Star Wars Intro Creator for free and without limitation.

How long does it take to generate a custom Star Wars Intro title sequence?

You can create and share a custom Star Wars Intro message within seconds. There are no waiting times to preview or share your animation.

Can I preview my custom Star Wars title sequence before I share it?

Yes, you can edit, preview, and replay the Star Wars title sequence to yourself as many times as you like before sharing it with your friends.

Does the animated Star Wars Intro Creator generate a video file that I need to download and share?

No, the animation is done purely on-page within the browser itself. This is how the animation is created instantly with no large files or wait times.

What languages are supported by the Star Wars Intro maker?

The Star Wars Intro Generator supports all languages and characters.

Can I edit an existing Star Wars Intro text sequence?

Yes, simply click the "edit" button while the Star Wars Intro sequence is playing, and you will be able to edit the scrolling text and reshare it as a new message.

How do I share my custom Star Wars Intro text messages with my friends?

You can share your custom Star Wars Intro message by either sharing the message URL or by clicking the "share" icon and selecting your favorite app to share.

Is there any character limit on the messages I create using the free Star Wars Intro Generator tool?

No, you can create a custom Star Wars text message of any length and still share it with your friends.

How many custom Star Wars Intro messages can I create for free?

You can generate as many animated Star Wars Intro messages as you like. There are no limits on how many you can create free of charge.

Do I need to sign-up to use the Star Wars Intro Creator?

No, you can create custom Star Wars Intro messages anonymously without any login or registration.

Do I need to install any software to use the Star Wars Intro Generator?

No, you can create custom animated Star Wars Intro messages directly in your browser online without installing any software on your computer.

Are my custom Star Wars Intro text messages kept private?

Anyone with the unique link to your message can view your custom animated Star Wars Intro message.
